Welcome to the Clifton Water Bulk Water fill station.

Please contact our office at 970-434-7328 if you are not already set up on this system.

If you plan to pay with a **CREDIT CARD**, once you call and give us your information, it takes several hours for this to update in the system that will allow us to take your card payment.

Please note that if you are a **CURRENT CUSTOMER** and make a credit card payment outside of business hours, it will NOT update to the fill station system automatically.

Please make sure to call our office any time you make a **CREDIT CARD** payment so we can verify it has been updated to your fill station account.

If you are a **CASH CUSTOMER**, you can come down to our office at 510 34 Rd. to pay for your water and then access water right away. We are open 8:00 am – 5pm, M-F

This will be a pre-pay only station at this time.

There is a 2" male connection on the building for customers to connect to.

The price for water is \$7.50 per 1,000 gallons.

Thank you for being our customer!
