

RESOLUTION 2024-08

RESOLUTION ADOPTING WATER RIGHT DEVELOPMENT POLICY 415

WHEREAS the Board of Directors of the Clifton Water District has recognized the need to maintain adequate water rights to offset increased demand for potable water as a result of new developments within the District; and

WHEREAS shares with the Grand Valley Irrigation Company provide the most senior and reliable water right for the District during peak demand months; and

WHEREAS Policy 415 was created to ensure that each new development will provide Grand Valley Irrigation Company shares and or a fee in lieu of said shares to adequately offset the amount of water that will be consumed by the new development.

NOW THEREFORE BE IT RESOLVED by the Clifton Water District Board of Directors that the Water Right Development Policy 415 dated June 13th, 2024 is hereby adopted by the Clifton Water District and said policy will apply to new developments proposed henceforth.
